LEADERS LEAD

LEAD BY EXAMPLE

We, at Trident University International, learned long ago that those who put the needs of others first are the ones who become the true leaders. Following that, Trident has made it a goal to become a leader in delivering online higher education to the men and women of the United States military and their families.

OUR VISION

Trident aspires to be the university of choice for adult learners and recognized as a leader in academic excellence, affordability, and educational advancement.

OUR PROMISE

In order to accomplish our mission, we created a proprietary educational approach built around the unique life-cycle of service members. We are committed to helping our students achieve their educational aspirations by:

- Adhering to quality academic standards;
- Fostering a learning community where exceptional faculty and staff collaborate to create an environment of compassionate student support;
- Being responsive and understanding to the unique educational needs of the adult learner.

OUR COMMITMENT

Trident is committed to helping military students complete their degrees with experienced faculty using proven academic theory to help solve real world problems. Simply put, Trident is a quality university that is designed for those who serve.

THE TRIDENT DIFFERENCE

Trident's unique, dynamic learning approach, EdActive™ Learning approach, helps our students prepare for the workplace with programs designed to enhance their ability to think, learn, and solve problems. At Trident, students are not just memorizing textbooks; they are presented with an issue or question, they do the research, they apply their own experience and then they present their solution. They receive feedback and suggestions and apply those to their next phase. This leads to the development of critical thinking and improved problem-solving skills.

Trident treats students like adults: providing the flexibility to fit school into their busy life by sticking to deadlines but working on assignments when they have the time.

Specifically, students are required to participate weekly, through discussions, reading, doing research, and writing. Assignments are due every two weeks and discussion posts should be done weekly. There are milestone deadlines but there is not any daily micromanagement.

At Trident, we keep our tuition costs as low as possible so that the students receive a quality education at an affordable cost.

VALUE

Trident understands that higher education is an important investment for a student to make. Trident offers quality online degrees for military students at an affordable cost.

ACCREDITATION

Trident University International is a member of the American InterContinental University System. The System is accredited by the Higher Learning Commission (hlcommission.org), an institutional accreditation agency recognized by the U.S. Department of Education.

SEAC WILLIAM J. (JOE) GAINEY (Retired)

Is a Trident graduate and was the first Senior Enlisted Advisor to the Chairman of the Joint Chiefs of Staff. As an alumni, SEAC Gainey provides unique insight and support to the educational needs of, and opportunities for, the members of the United States military, veterans, and their families. SEAC Gainey enlisted in the Army in 1974 and went on to hold leadership positions ranging from Gunner to Command Sergeant Major. He served in Operation Joint Endeavor, Operation Joint Guard, and Operation Joint Forge in Bosnia and Herzegovina, as well as Operation Iraqi Freedom II. SEAC Gainey retired in April 2008 after 33 years of service.

“I look forward to supporting the university’s ongoing efforts to cater to the distinct needs of active and reserve duty military personnel, veterans, and their families.”

Joe Gainey

SCHOLARSHIPS & GRANTS

3 Scholarships, 5 Grants

We understand the unique challenges and financial obstacles facing adult learners, which is why we keep our tuition pricing affordable, charge no extra costs for most course materials, and encourage students to apply for our scholarships and grants.

Army Women's Foundation Scholarship

Available to eligible female soldiers who are currently serving or have served in any component of the U.S. Army, or their children/grandchildren. Qualified students will receive one full bachelor's degree scholarship and one full master's degree scholarship awarded annually.

Military Success Scholarship (MSS)

Available for all undergraduate, graduate and ISS certificate students who are U.S. Active Duty, Reserve, and National Guard members and have exhausted their annual tuition benefits. Qualified students will receive 50% off up to 6 courses within the military fiscal year.

Trident Alumni Scholarship (TAS)

Available to newly enrolling alumni advancing to a master's degree, doctoral degree, or business analytics certificate. Qualified students will receive 15% tuition savings off each course.

Lifelong Learning Grant

Students must have earned a bachelor's degree at one of the following AIUS member institutions: AIU or CalSouthern. Prospective students must apply and be accepted for admission into a graduate degree program to be eligible to receive the grant. Valued at \$1000, the grant is awarded proportionately over each academic course..

Military Education Grant

Service members, military spouses, dependents and DOD federal civilian employees can receive a 40% grant towards tuition for undergraduate courses, 56% for graduate courses, and 14-19% for doctoral courses.

Veteran Education Grant

Available for retirees and veterans of the U.S. armed forces and their spouses/dependents. Qualified students will receive a 20% grant towards tuition for undergraduate courses, 25% for graduate courses, and 10-11% for doctoral courses.

Resilience Grant

This grant is for students enrolled in a Title IV eligible program at Trident, but due to extenuating circumstances are unable to pursue their education without financial assistance. Awards up to \$11,000-\$17,000 per academic year.

Professional Certificate/Diploma Assistance Grant

For former students. Students must have been enrolled in a Trident certificate or diploma program, but did not graduate from the program. Must enroll in a Trident undergraduate program and meet the admissions requirements. Awards an Institutional grant of 30% tuition savings off each course.

*Transfer credit is evaluated on an individual basis. Not all credits are eligible to transfer. See the university catalog for transfer credit policies.

*University grants or scholarships are based on established criteria as published in the University's catalog or on its website and are awarded after verification that the conditions of eligibility have been met.
